## I might look cute, but let me tell you: I'm a badass! I

play roller derby! I love getting physical, so it's the perfect thing for me. It's super competitive, and I get to be totally badass and knock girls over, and bash girls in their faces. I love it!

When I started on the team, the other girls were all like, "You're too small for this. You're gonna' get slaughtered."

I was like, "I'm tough. I'll kick ALL your bitch asses!"

At the first few practices they were hard on me. They'd make me skate backwards for ten laps and do sprints while they sat and watched. When we started scrimmaging, they all came at me and knocked me down. I think they wanted to see if I'd cry, but I didn't. I got up and totally kicked ass. This went on for weeks leading up to our first derby, and the night before the game the practice was particularly brutal. I got knocked out at one point, and lost a tooth at another, but I wouldn't break.

After the practice was over, we went to the locker room. The girls were like, "Audrey, you did good out there. We're gonna' give you a reward."

Then the captain of the team came up to me. She was totally naked! She pushed me down on the bench and put her face between my legs! I was like, "Oh my god is she gonna' hurt me?" But then she started LICKING me! I said, "Eww, gross, I'm all sweaty, and I bet I smell terrible!" But the thing was... she was SO good at it, that after a few seconds... I wasn't thinking ANYTHING!

I had my eyes closed and was feeling her tongue going up and down on my clit, and when I opened them, I saw the other girls standing around. They were naked and they were touching themselves! I've never been into

girls THAT way, but when I saw them looking at me and playing with themselves, I got even MORE turned on. I guess they could tell I liked it, because they all came over and started touching me — they licked my boobs and kissed my neck, and they started doing stuff to each other too!

They wouldn't let me get up from the bench. First, one girl straddled my face and let me lick her, and you know, I loved the way she smelled! It was so hot! Then she got up, and moved down and started licking ME, and another girl got on my face. Then, somebody put her fingers inside me, and then somebody else found a dildo and put THAT inside me! It was so good, I started getting sweatier, and my mind kind of blanked out. I have no idea how long we were all having sex, but after what seemed like HOURS, the captain looked me in the eyes while she was fingering me, and she said, "Audrey, come for me. I want you to come so hard you can't see straight, and I want you to remember I'M the one who made you come like that. Do it!" And it was like she was magic or something, because when she told me to come... I mean, it was like if you put a nuclear bomb and a bunch of fireworks and a huge movie explosion together into one feeling, that's how amazing it was. All this stuff came pouring out of me onto her hand and got the bench all wet, and I was screaming and thrashing around. The captain just smiled and licked off her fingers, and then walked away. After a few minutes, I could see straight again, and I got up and finished dressing.

I never would have thought I'd get into girls, but now that I know how good they are at licking pussy... well... I still date guys sometimes, but girls are SO much better at some things!

OCTOBER 4,  
2011!**

**THANKFUL TEENS**

**STUFFED FULL O' CUM!**

**I love golf.** I don't know why! I think there's just something so satisfying about putting the balls in the hole like that!

Oh my gosh, there I go sounding like a PERV again! I'm not really that bad, but I always say things that SOUND dirty by accident! I'm a virgin. Seriously! Well... technically.

Anyway, my parents love that I'm into golf, which is great, because they let me take private lessons with this REALLY cute golf pro, Albert! One day, I was trying to putt, and I couldn't get it right. He kept putting his arms around me to show me how to tap it right, and I was like, "Yeah, I'll tap it like that!" He started giggling and couldn't stop, and then pulled away from me real quick.

Then, when we were trying harder swings, I said, "Yeah, hard, baby!" Albert laughed again.

When we went on the back nine behind the trees for longer strokes, I said, "Damnit, I need to learn to stroke better to get that ball in the hole!" Albert lost it.

I was like, "What's so darn FUNNY?"

"Oh come on, C," he said — he always calls me C, which is so adorable! "You have to know what you're saying sounds sexy!"

"Oh, I guess. I wasn't thinking about it."

"Well," he said, "you keep talking about balls and strokes and I'm getting turned on. So watch out."

I looked down at his crotch and he had a boner underneath his pants! I couldn't believe it! Albert? Getting turned on by my stupid comments? I never did anything sexy in my life, but I always thought he was cute, and we were all alone on the back part of the course... Maybe this would be a good time to start experimenting, you know?

So, I put down my club and kissed him. Real simple. He kissed back, and pretty soon, he was feeling my butt and boobs! Then, he pulled down my pants, leaned me over the front of the golf cart, and he got down on his knees. I held my breath because I was sure I'd have a guy lick my little pussy for the first time in my life!

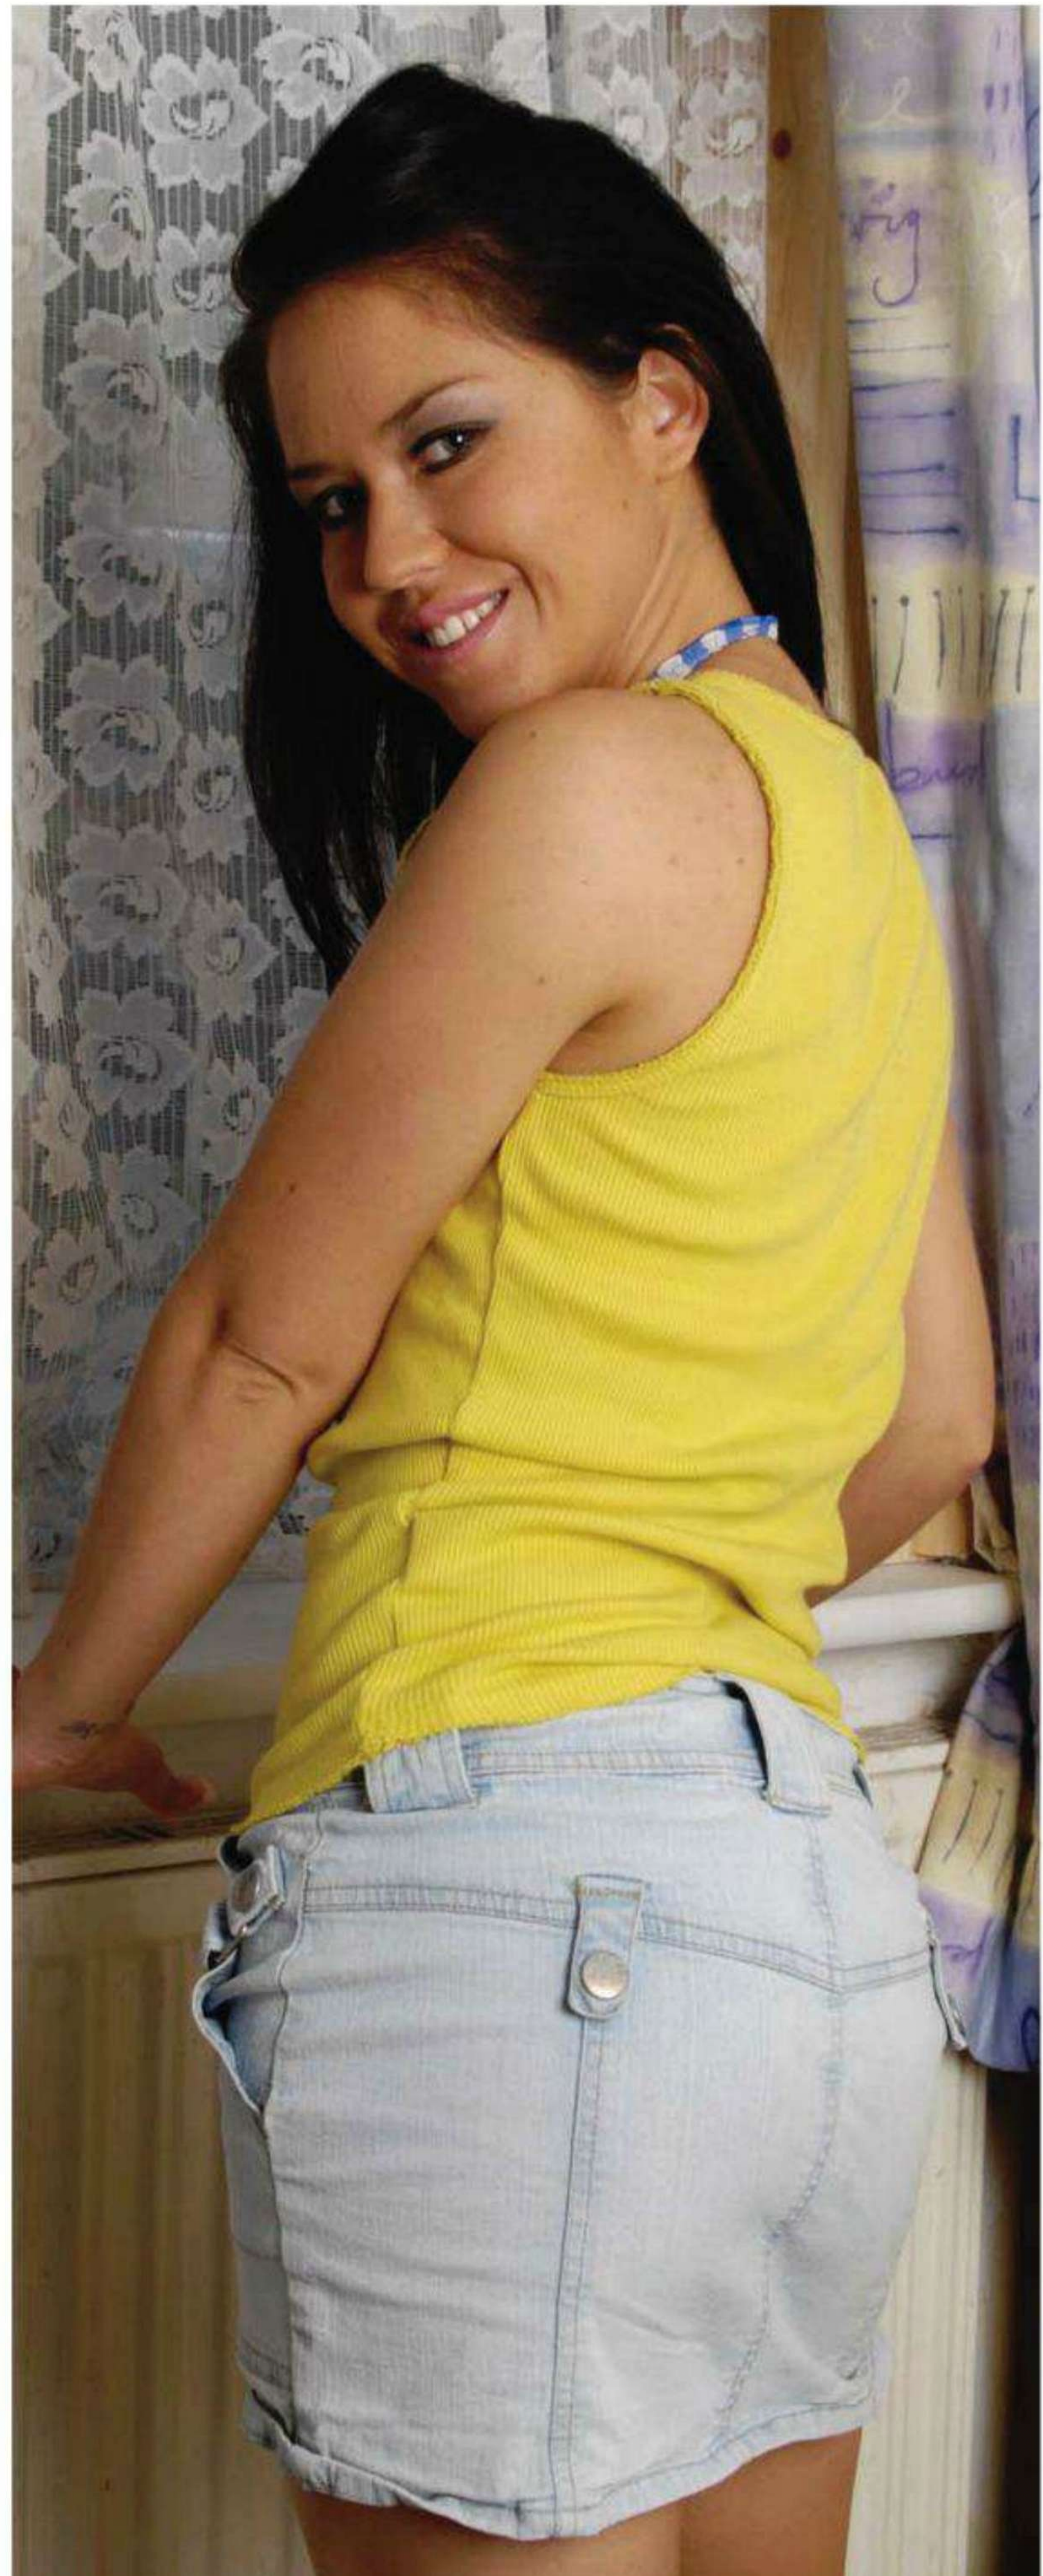

But he DIDN'T lick my kitty! He skipped right past my pussy and started licking my BUTT! I gasped and looked over my shoulder. He had his face right up in my crack, and he was licking away! It freaked me out at first, but then I realized it felt GOOD, so I let him keep going. He must have done it for like ten minutes, and by the time he put his finger in my butt, I was so turned on I didn't even mind! Then, he stood up and put something WAY bigger than his finger in my BUTT! It was his DICK! Oh my god, I never even had regular sex before that, and suddenly I was having BUTT sex!!! The weird thing is that it didn't even hurt! It felt great, and pretty soon, I thought I went blind because all my muscles got tight and something exploded in my head and all I could see was bright white. I guess it was an orgasm, huh? A minute after that, he pulled out of my butt and he sprayed warm stuff all over my butt.

When that was over, I put my pants back on and was like, "Albert, I can't believe we just did that."

He said, "Don't tell anyone, C, okay? I'll get fired."

I said, "I won't tell anyone if you promise we'll do this every week."

He agreed! So, to this day, I'm still a virgin in my pussy, but my butt is a dirty ass slut! Hahaha! Hey, don't tell anyone, okay? My parents would KILL me if they found out, and they'd kill me even more if they knew I took naked pictures for this magazine! Peace!

**So I'm dating this guy Harley, right?** He's really cool and SUPER sexy, and I'm SO in love with him, but he's got this weird thing with pantyhose. I mean, stockings! He calls them pantyhose, and I'm like, "Harley, nobody calls them that anymore! Pantyhose are what GRANDMAS wear, not cute girls like me! What is your deal?" I didn't wear them for this photo shoot though, so Harley can suffer... DENIED! Anyway, he still calls them pantyhose and he LOVES it when I wear them. Like... really loves it! He's always buying me new ones and making me try them on!

And it's pretty cool, I guess. He buys me really nice silk ones sometimes, and they are so smooth on my skin! I really do like them, but not as much as HE does! When he gets them for me, he always has me put them on, and then I walk around in them while he watches me. He says he likes the way they make my body look and how I get a little muffin top!! I get so embarrassed! Because I'm not fat, but stockings are TIGHT and who DOESN'T get a muffin top in them? He says it turns him on, so I let him look. After a little while he starts like touching himself through his pants, which is super hot, and I always want to just take the stockings off and let him have me! But, Harley makes me wait because he's weird. He asks me to bend over so he can see my... you know... my crotch through the stockings, and he'll sit there and look at it.

And then, this is my favorite part! He'll come up behind me and put his face in my crotch and start licking it THROUGH the panties! It's like a tease, and it feels REALLY good! He tells me he likes it when I get all wet inside the panties and he can see the wetness seeping through the silk.

Then he'll usually take the stockings off me, but sometimes, when he's REALLY excited, he'll RIP them off! These brand new, expensive, super-fancy silk stockings! He tears them up so he can get inside them and put his penis in me! And I'm always like, "Harley! Those are thirty-dollar stockings! What are you DOING?"

He never answers. He just starts to BANG me right there! I can't believe that I'm so sexy to him that he'd rip up stockings he just bought to be able to, like, have SEX with me, but it's really hot. Usually it only takes a few minutes until I have a ha-yuuuge orgasm, 'cause I'm already so turned on!! And then, right after that, he usually pulls his thing out of me and sprays his goo all over the stockings! Sometimes, when he's in a crazy mood, he'll take the stockings off and make me lick all the goo off of them. I guess that's kind of perverted, too, but he loves watching me do it, and I like making him happy!

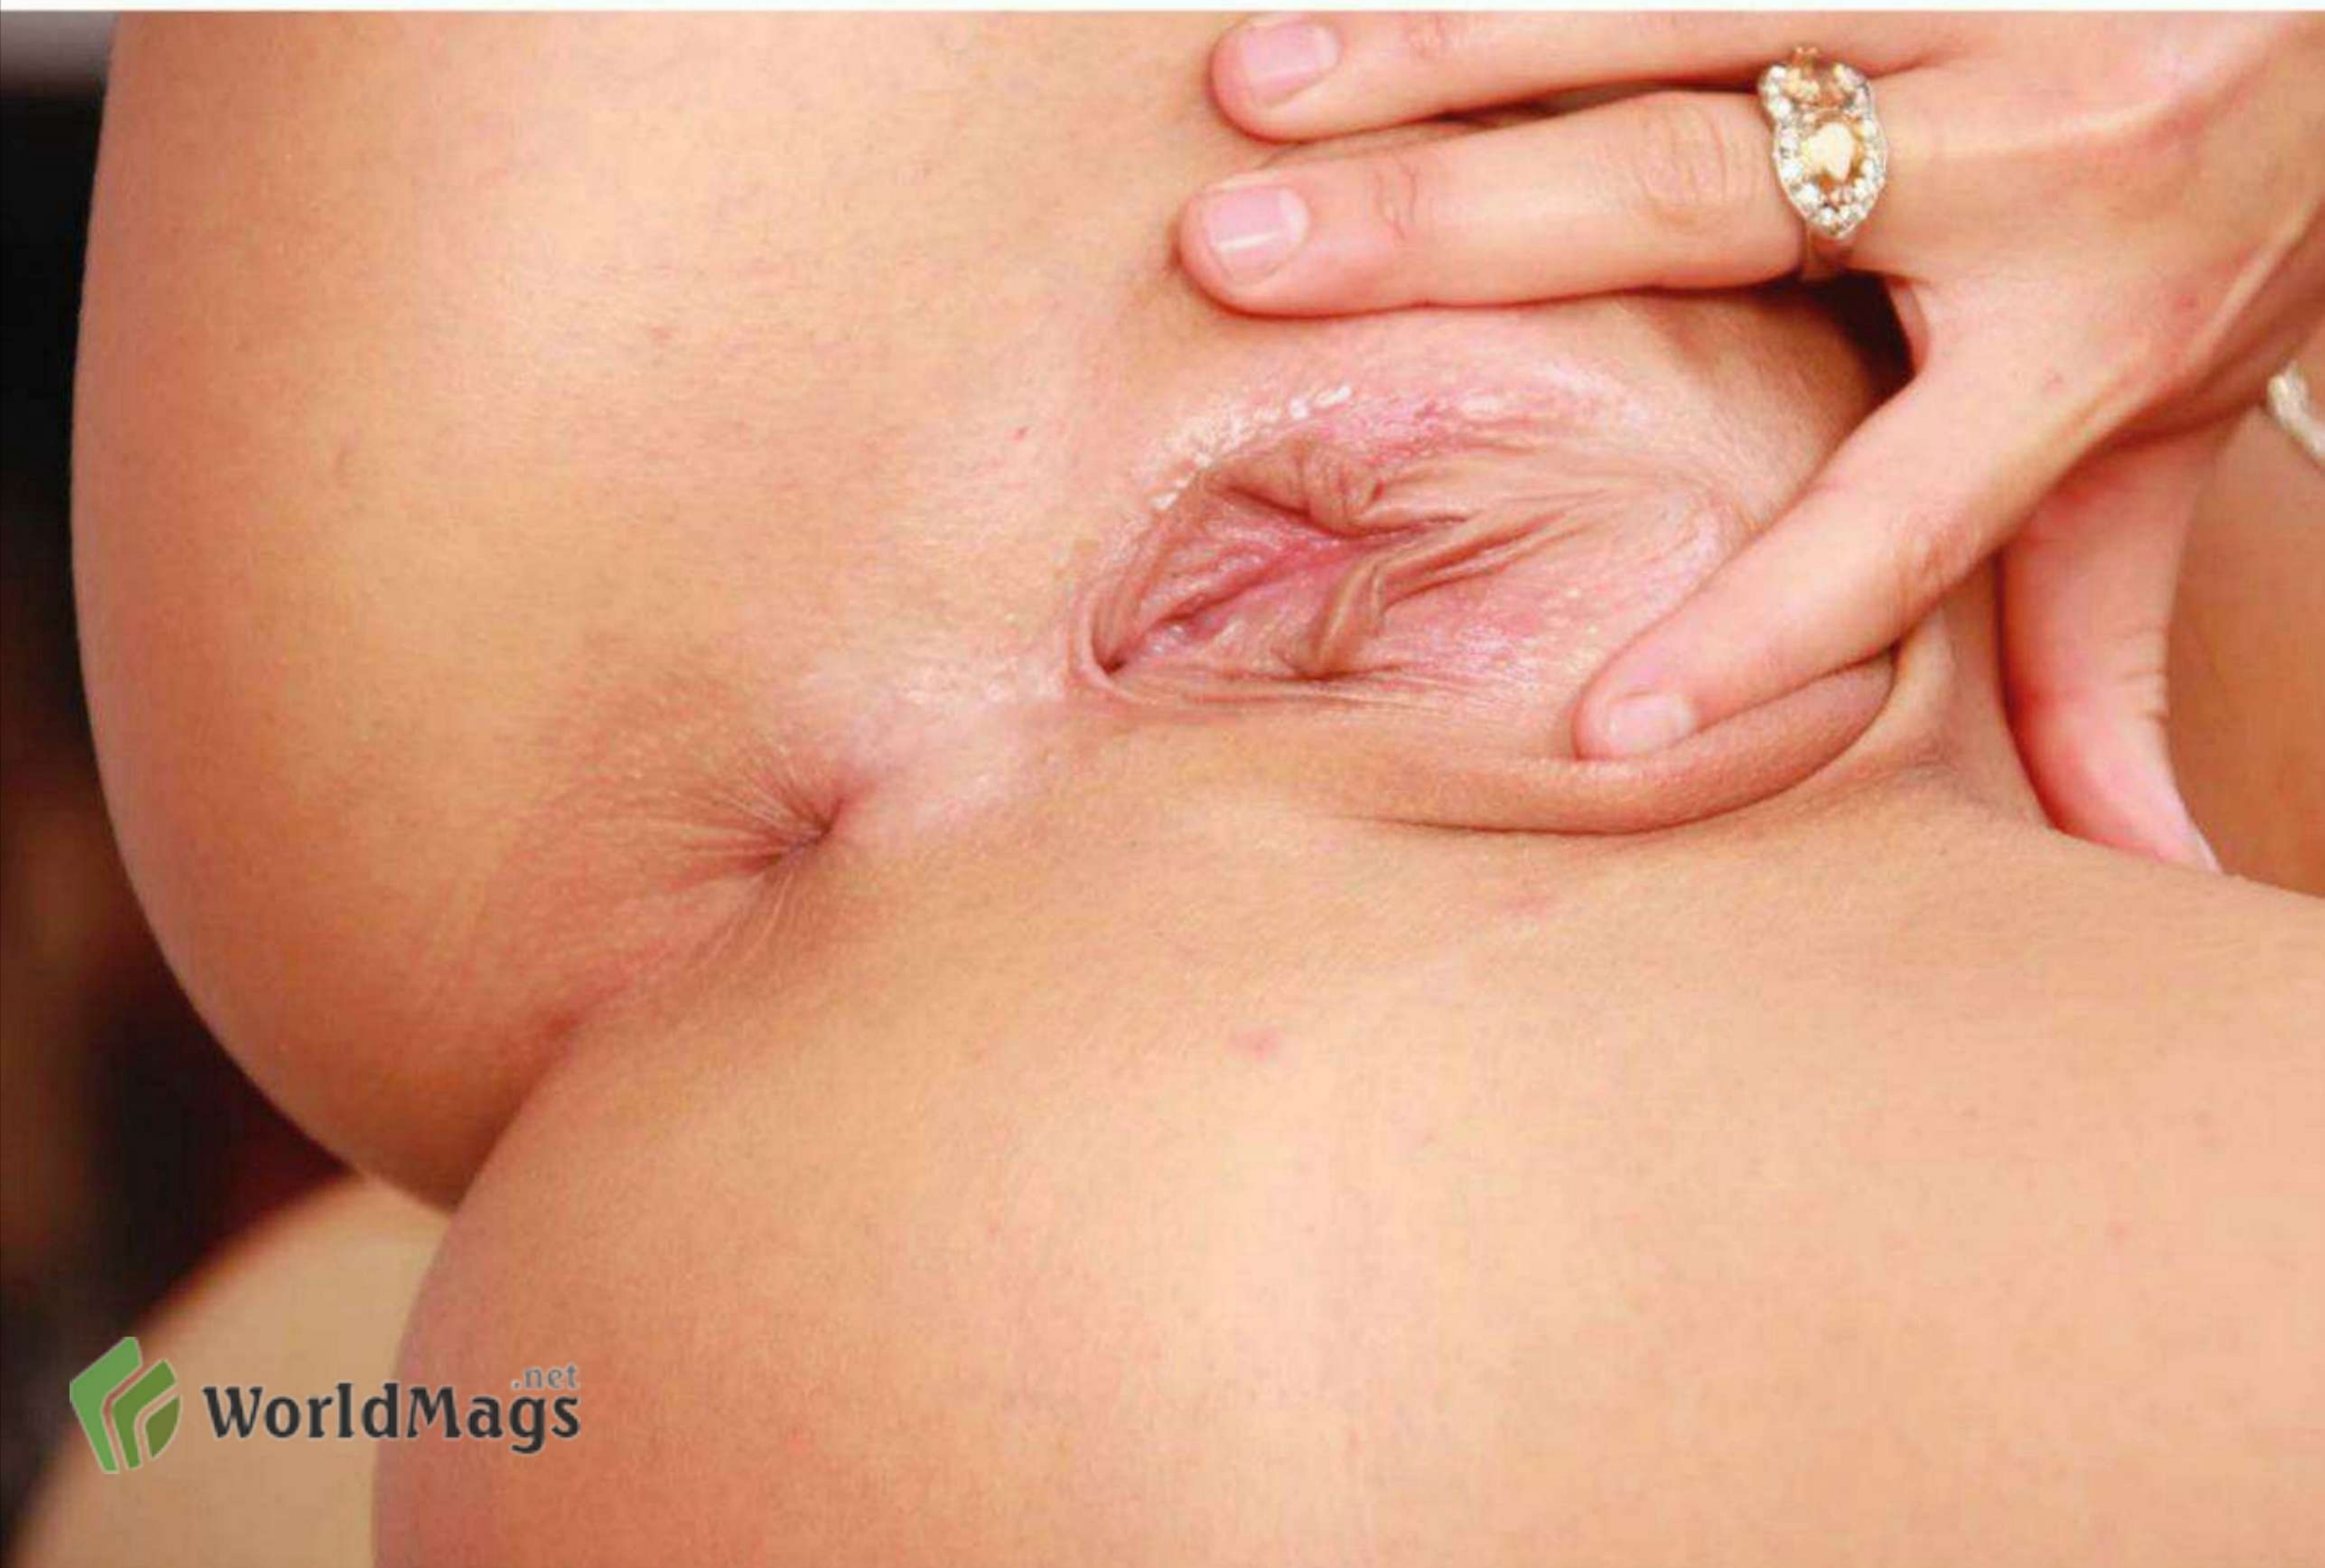

My friends say that Harley is a weirdo, since I told them about his stockings thing. I think they're right, but I REALLY like him! I mean, how many girls my age get to do really fun crazy stuff like that with their boyfriends? Not many! Anyway, even though sometimes I have a muffin top, I know it's hot to Harley, and that's cool with me!

## You know, it's funny how I ended up being a model for TIGHT magazine.

I'm really glad I'm here, but it's not what I planned on doing for a living, you know? It just kind of happened.

See, I was at this party with a bunch of my friends from high school and we were having such a good time! I was in this girl's kitchen where the stereo was set up, and a bunch of people were dancing. Me and this guy I'd been kind of flirting with all night started dancing and grinding and stuff, and soon we got like SO into it that we didn't even notice everyone else had stopped dancing. We were just totally grooving on each other. I was like popping my ass into him, and he was grinding on me, and then I'd turn around and go down on my knees in front of him, and it was super sexy! Suddenly, like without even kissing or anything, we were basically getting it ON in the kitchen! I guess the music just made me lose my mind or something, because when I went down on my knees the one time his... you know... COCK was hanging out, I just put it in my mouth, because it was there and I was so into him, you know?

I guess I figured that everyone had left when we started getting it on, because that's totally what I would do if I saw someone else starting to get, like, a BLOWJOB at a party! When I looked up, I realized there were all these people totally watching us, and the weirdest thing is that instead of getting embarrassed, I got kind of turned on that they wanted to watch! Crazy, right? So I got up and pulled down my pants and totally let this

guy just bang me in front of all those people! It was such a turn on! He had me bent over and pressed up against the refrigerator, and I was yelling and moaning, and he was moving so that each time his cock went into me deep, it was to the same beat as the music. All these people were standing around watching, and I knew they must have been turned on, too, and it was so hot I got overwhelmed and I totally had a big orgasm right on his dick! Then, he pulled it out and sprayed cum all over my face and I licked it up!

I know, right? How filthy was that?! I was acting like a totally dirty girl, but I'm really NOT like that usually. I can't believe I did that! I can't believe I thought it was so hot instead of embarrassing!

You know what WAS embarrassing though? A few days after that, suddenly there were all these PICTURES of me half-naked getting RAILED at this party! Like as if I do stuff like that all the time! I realized that everyone on the Internet would think I was a total slut! At first, I asked people to take the pictures down, but it was too late. So I decided, hey, why not just let it work? I might as well just start to kind of BE a big slut and take my clothes off for cameras all the time! So now, here I am! And you know what? I kind of love being naked in front of people again! All these cameras and people watching me get me REALLY hot... I think I'll do this MUCH more often!

**I can't believe I'm in TIGHT, you guys!** I never would have even dreamed I'd take off my clothes for a camera until a few months ago. My family is Presbyterian, and they're pretty serious about being moral! I totally still believe in God and stuff, but over the past few months, something really changed about me.

I think it was when I went to New Orleans for Mardi Gras. Obviously, we're too young to drink, but we wanted to see what it was all about and just have fun. So, me and my friends Cooper and Karen drove down there! Everyone was having so much fun that we got really into it. When I was walking down Bourbon Street, this guy on a balcony goes, "Hey, show me your tits! I'll give you this necklace!" I never would have expected that I'd do it, but I just lifted up my shirt and showed him! He threw me his necklace, and that was all. When I got that necklace, it was like something snapped! I felt this rush so intense I couldn't stop it, and then all I wanted to do was keep showing my tits!

So I did! Since everyone around me was doing the same thing, nobody judged me. When we left New Orleans, I still wanted to take my clothes off! I never would have done that before because I thought it was un-Christian, but now I didn't care. I wanted to be naked ALL THE TIME!

I started flashing people in cars on our way back! Cooper thought it was great, but Karen got mad. She goes to the same church as me and she takes it pretty seriously. So, we let her drive, and then I showed Cooper my boobs. Pretty soon we were totally making out in the back of the car!

Well, at that point, we were having so much fun we decided to just take it as far as it would go. It's weird, because Cooper and I are just friends, but I was feeling so wild I just went for it! I unzipped his pants! I never would have guessed my friend had such a big... YOU know! I decided to do what I always heard guys like, even though I didn't know how. I put it in my mouth and it got really big. It kind of hurt my jaw. So, I lifted up my skirt and moved my panties to the side and I just sat on it!

It was hilarious, because I knew Karen would be SO pissed that we were doing IT while she was driving. She started yelling that she'd stop the car, but she kept driving. Cooper started to move around under me so that his... YOU know... was moving in and out of me, and it felt SO GOOD. I never knew what the big deal about SEX was before, but this felt so good I was moaning and panting, and then Cooper got really stiff and his eyes squeezed shut, and he shivered. I felt something hot inside of me coming out of his thingy!

I got up and all this white stuff came out from between my legs and went all over the car seat. I was like, "Cooper! What the hell!?" With that, Karen just totally LOST it. She pulled the car over, and made us clean up the stuff on the seat, and then made me drive and Cooper sit in the backseat the whole way home.

Oh well. After that great trip and learning about sex, I decided to forget about church, I want to live my life to the fullest! I want to show off my body to everyone who wants to see it and have lots more sex. I thought TIGHT would be the best place to start! Don't worry, guys, you'll be seeing A LOT MORE of me in magazines!

**I'm going to be a pop star.** I want to be FAMOUS and have millions of fans. Forget making "art" in my songs — I want to get to the top and take over the WORLD! I'm not that good of a singer, but like, I'm a hottie, and they have all kinds of things that make you sound good in post-production like the auto-tuner, so whatever.

A few months ago, I figured I should meet with record executives. I mean, it's all about attitude, right? I thought I'd go in there and convince them that I'm HUGE, and then when they sign me I'll have all the studio time and expense accounts I need to make a killer album!

I drove down to L.A. and barged into the offices of this one big record exec. I can't tell you which one, because it would ruin my chances of getting a deal, but let's just say, he's a BIG deal. I dressed up in a high-fashion outfit and walked right past his secretary into his office!

I leaned over his desk and told him I was going to be the next superstar, and he would sign me if he knew what was good for his bottom line. He looked me up and down and said, "How old are you?"

"19."

"Too old," he said, "But I'll tell you show where my bottom line is and if you like it, we'll work something out."

So, of course I was like, "YEAH!"

Then, the dirty old fuck took out his... PENIS!!! I couldn't believe how sleazy that was, but I AM going to be the next big thing. I have to do what I have to do. I got down on my knees and put my mouth on his thing. It actually wasn't so bad. It wasn't very big, so it didn't hurt my mouth, but then he started JAMMING it into the back of my throat really hard! I fished my head up. "You're CHOKING me!" I said.

He was like, "You want a record contract or not?"

And I was like, "Well... yeah."

I put it in my mouth again. I was thinking, "What a jerk!" But I let him do that for a while, and actually, I kind of started liking it. It made me feel tough that he could try to choke me and be rough, and I could totally TAKE it. I felt like a real rock star! When I'd gasp and cough a little bit there would be big long strings of spit hanging between my mouth and his thing, and when he'd see them, he'd get super excited and moan, and jam it back into my throat even harder. I felt like a total badass.

Suddenly all this stuff came squirting out of his THING and into my throat and I REALLY started choking then! I gasped and coughed, and thought I'd throw up! He just laughed. What a JERK!

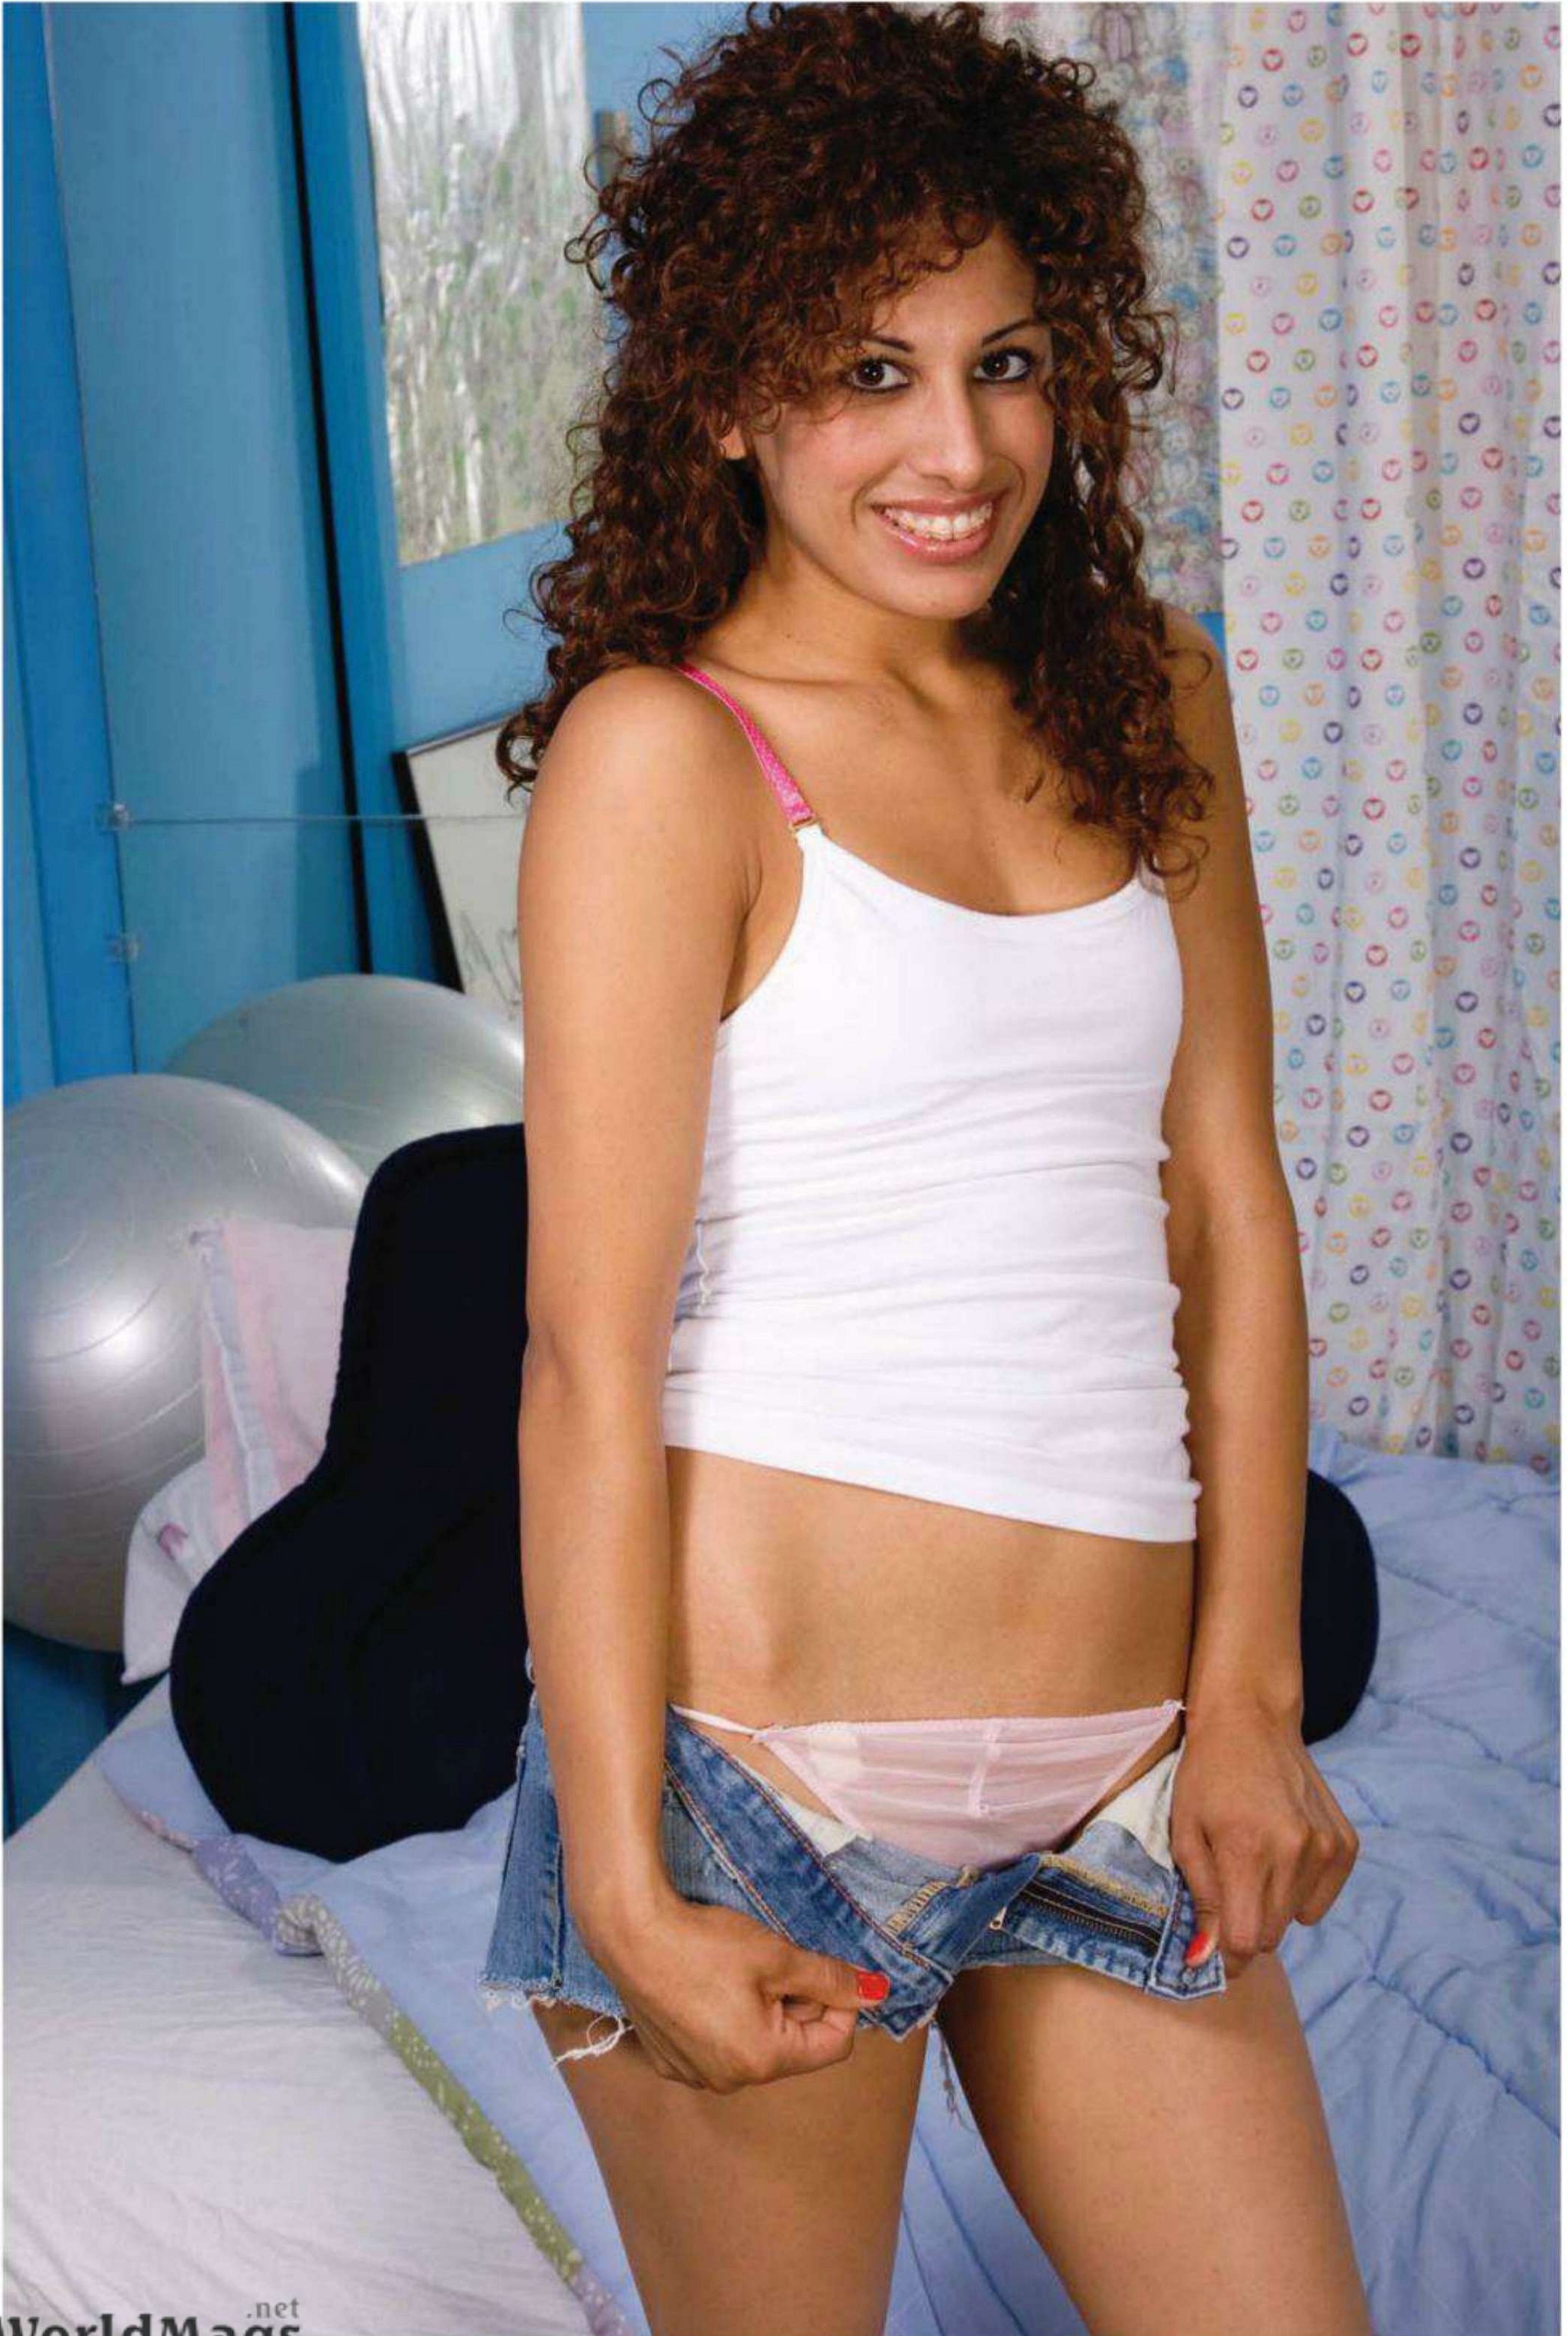

"Well," he said, "if you want it, you've got yourself a deal!"

I was so pissed off! I was like, "FUCK your deal!" And I walked out.

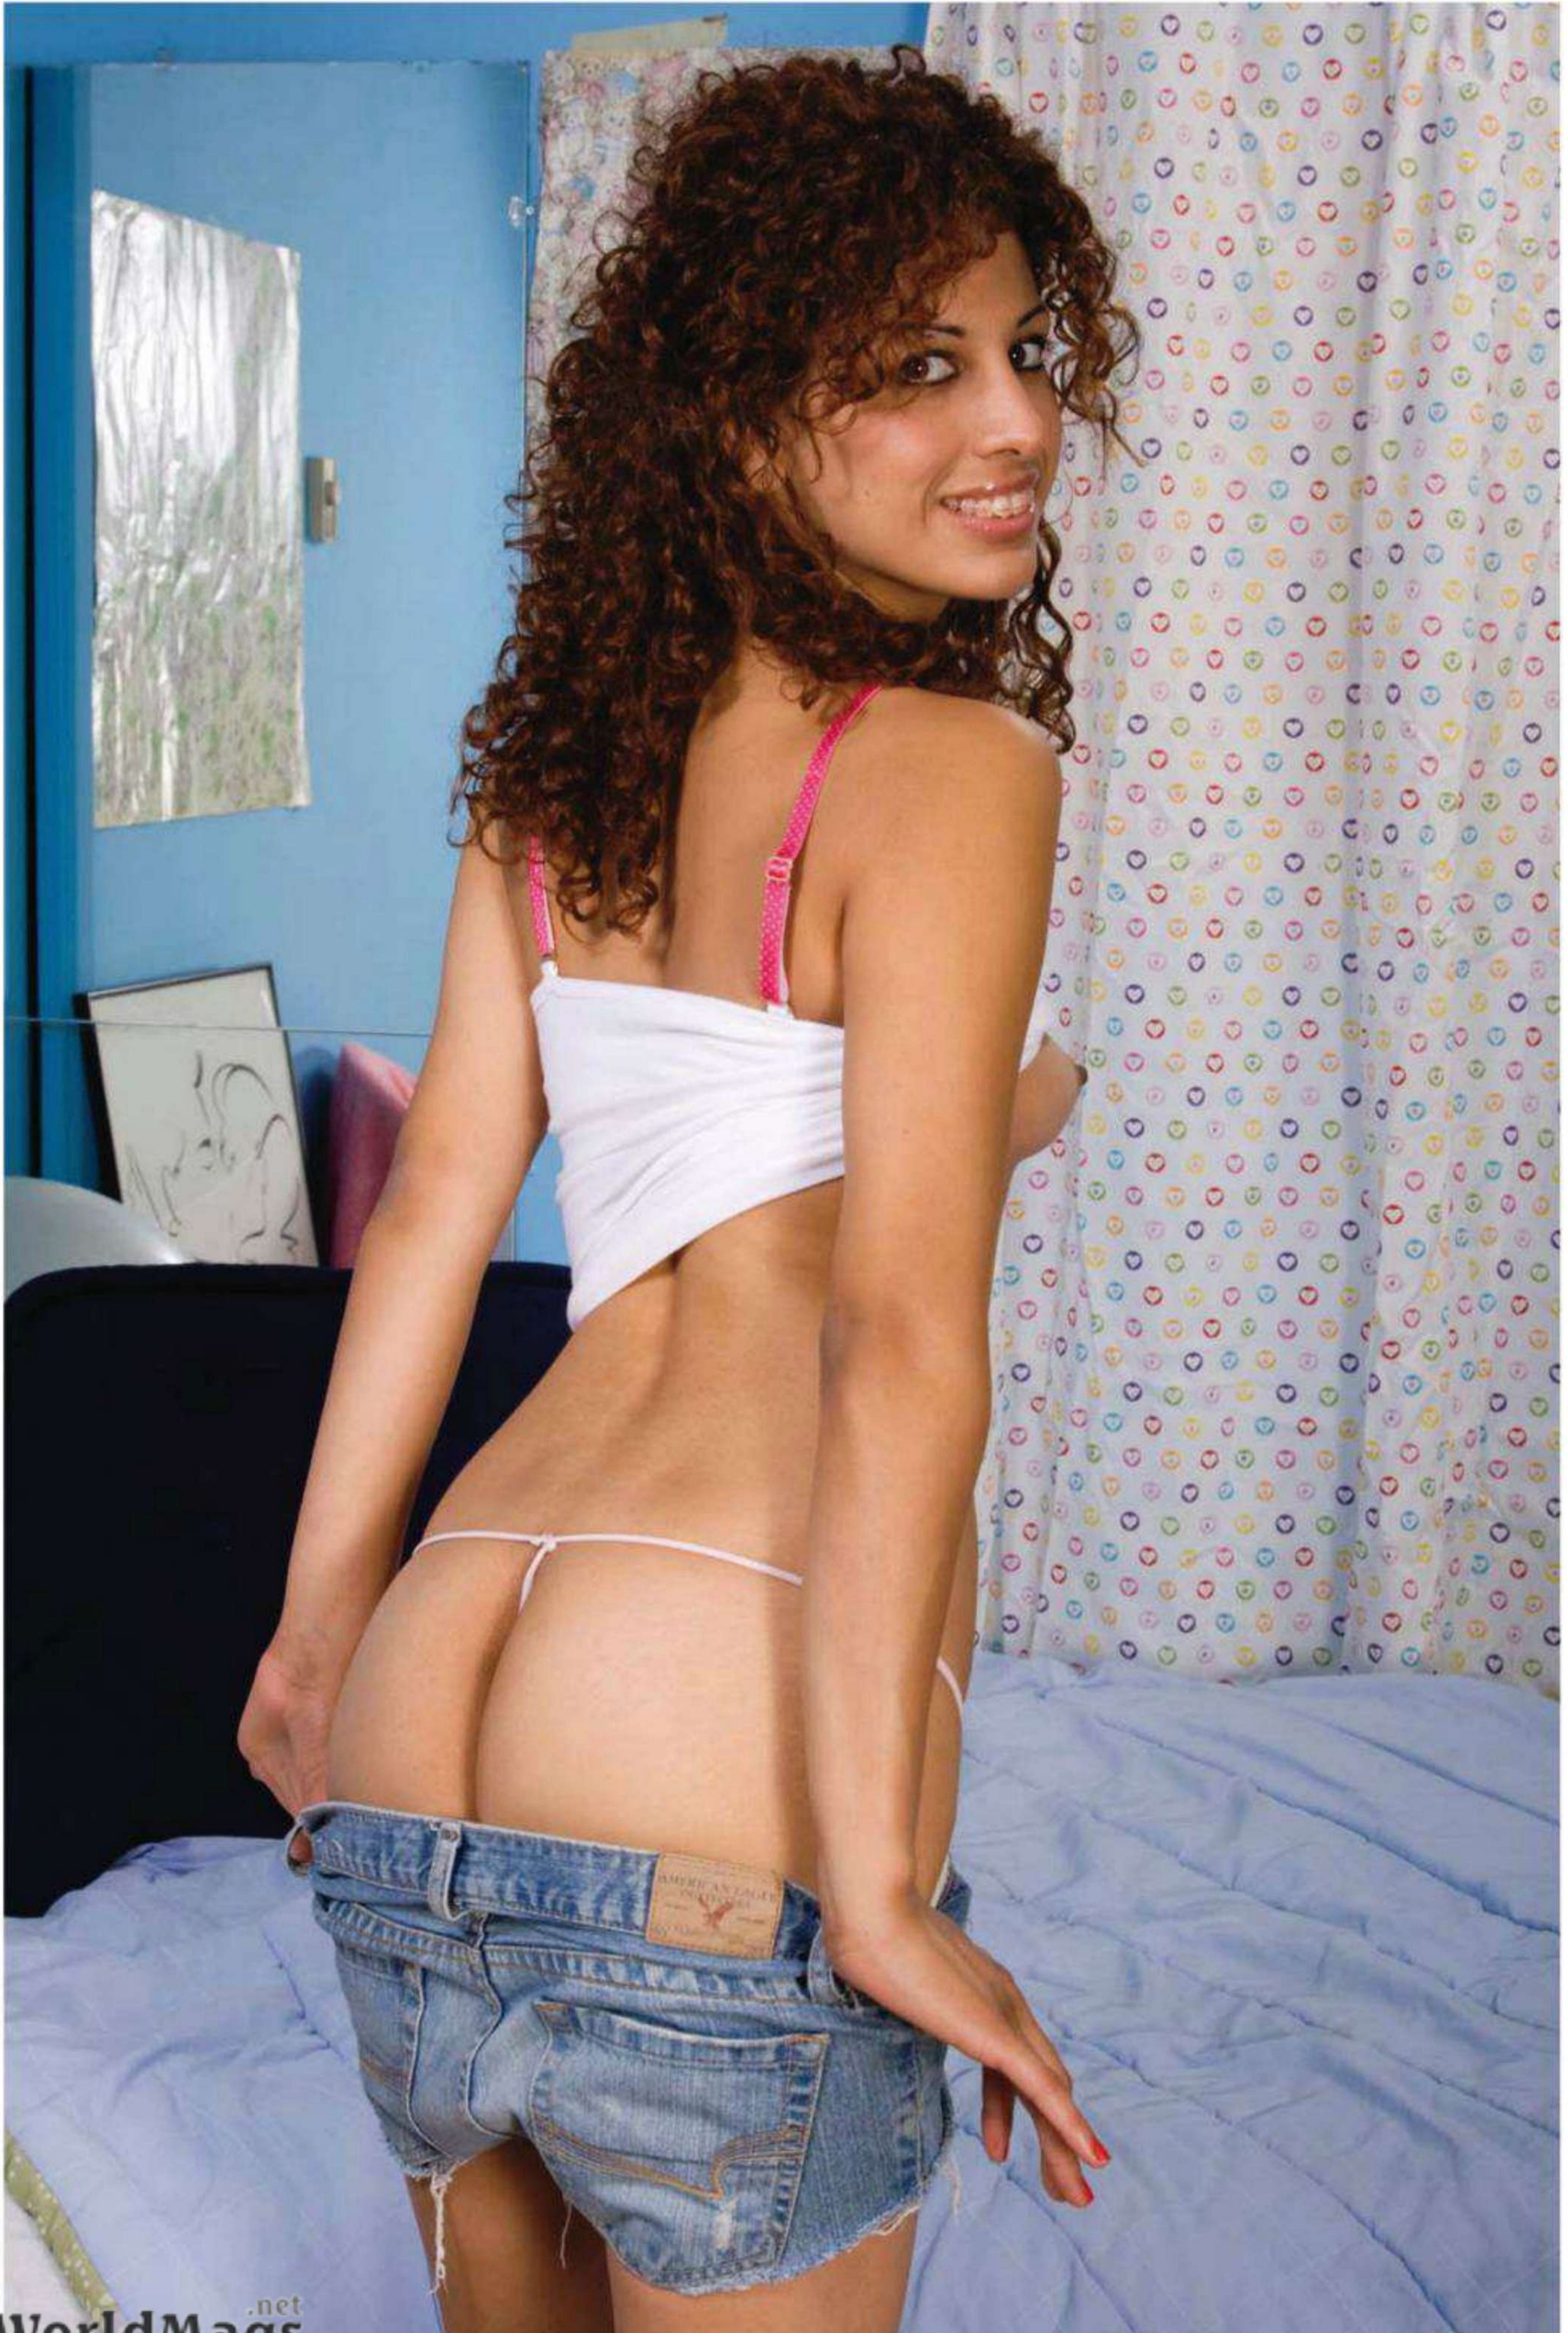

Now that I think about it, that was probably a bad idea. I went through all that work and sucked his gross PENIS, and I didn't even take the record deal! Just because he came in my mouth! I'm so dumb sometimes.

Well, anyway, I decided I'd get famous another way, by showing off my body in magazines. Anyway, I guess this shows that I'm pretty good at doing blowjobs, so I might as well be a model, because I hear they give lots of blowjobs. Once I'm famous that way, THEN I'll get to be a pop star, and then I'll ruin that guy's career for real!

# elise

**I love Halloween!** I start planning my outfit months in advance and I always have the best costumes! Since I live on Long Island, me and my friends take the train into New York City for Halloween to par-TAY, but it's weird because we end up in these crazy outfits sitting on the train for two hours back out to Wantagh way late at night.

Last year, I was sexy Little Bo Peep, and I went out with my friend Morgan, who was my sexy sheep. All night we went to parties and pretended like we were lost, and then we'd find each other in the middle of the party and I'd be like, "I found my sheep!" It was totally cute and everyone loved us.

Anyway, at two o'clock we got tired and got on a train back home. There were two guys totally STARING at us. We got the idea that they might leave us alone — if we pretended we were LESBIANS!

We started kissing. It was weird to be kissing my best friend, but we were both actresses in the school play, so we're good at pretending. When Morgan put her tongue in my mouth, I was like, "Hmm..." It felt different from kissing a guy because her tongue was smaller and smoother, and, well, I really liked it! Some guys will slobber all over you, but Morgan was really sweet and polite. I kind of loved it.

Eventually we stopped and looked over, and those guys were STILL staring, even more than before! We were like, "Maybe they didn't get the idea. Guess we better keep going!"

So then, Morgan yanks the top of my dress down and starts touching my boobs! I was thinking, "Wow, Morgan!" Like, maybe she really IS a dyke, 'cause she seemed to know what to do. We were on the side of the train with three seats across, and we had plenty of room. She got up on her knees and started putting my nipple in her mouth and sucking on it, and that felt so fucking good that I forgot about the guys watching us.

Then, she had me lay down across the seats, and she lifted up my dress, pulled down my cute Little Bo Peep panties, and totally ATE MY SNATCH! Like, I thought we'd stop before that happened, but when I opened my eyes I could see that those guys were still staring at us, so we kept going! I guess guys don't mind it when girls are lesbians, but I didn't even care by then. Morgan's soft mouth felt sooooo good against my pussy, I grabbed onto the back of her head and pushed her mouth onto my crotch so hard she couldn't even breathe. She kept sticking her tongue into me, then taking it out and rubbing it around my clit really slow, then building up speed and getting really fast. I screamed loudly and had a gigantic orgasm... On the TRAIN!

One of the conductors came running to see what was wrong because I made so much noise, but by the time he got there, Morgan and I were sitting up looking normal, kind of. I was all red and out of breath, but those two guys had huge boners you could see through their pants! When the conductor asked us what was wrong, Morgan said, "Those men, sir!" She pointed at the guys' boners. "They are being perverted at us! Look!"

And you know what? The guys got escorted off the train at the next stop! HAW! Guess dyking out pays off sometimes, huh?

**I guess I'm weird, because I've always wanted to be a stripper.**

People are all like, "But you're so smart and pretty, you could do anything you want!" And I'm like, "Well, I want to be a stripper!" I guess they mean I could go to college, or be a lawyer or something, but that sounds so boring! Anyway, what's so wrong with being a stripper? It's just as hard as being a lawyer! I mean, how many lawyers do you know that can hang upside down from a pole with their thighs? None!

As soon as I was old enough, I went to try out at a club near my house. The owner had me get up on the stage and dance to a song he chose. Well, he chose this AWFUL song, like 90's hip-hop song or something I never even HEARD before. I guess I didn't do a very good job dancing to it. I like to dance to songs I know, so I know just when to move, when the beat drops, you know?

So, the guy was like, "Look, honey, you're hot, but you CAN'T dance. You're gonna' need to prove you REALLY want this job."

I was so embarrassed! "I'm a better dancer than that," I told him. "If you give me a different song..."

He goes, "How about, instead of that, you give me a lapdance?"

I didn't know how to give a lapdance! I just wanted to dance on the stage, but I wanted the job, so I went up to him and tried. It was really awkward because I didn't know how to move around his legs. Eventually, he put his hands on me and moved my hips to give me the idea, and I was like, "Ooooh, I'm supposed to pretend I'm having SEX with him!" And then I got it. I was a total natural.

I started grinding on him and tossing my hair and being totally sexy. He LOVED it. And then — whoa! — he ripped my panties off from under my skirt in one swipe, bent me over and put his head between my legs, and started licking my sweet spot! Oh my gosh! It felt pretty good, so I let him do it, but after a minute, he put his hands on my waist and pulled me down onto his lap. I didn't even know he had his ding-dong out until he pulled me down ONTO it! Suddenly, we were just having sex!

He was this much older guy, kind of bald on top, and like... I never even think that old guys like that HAVE ding-dongs, because, just, ewww. It's not like I had tons of sex before that — only with my boyfriend once or twice — but this guy felt just like a young guy. His dong was big and really hard, and it felt really nice going inside me. Since I couldn't see his face anyway, I could pretend that I was having sex with anyone, so I bounced up and down on it for a while. I imagined that the club was full and I was their star dancer, and I got so hot thinking about all that money that I got hot and felt my muscles clench around his dong. I thought I saw stars behind my eyelids! I never even HAD an orgasm till that moment — and the first time I ever had one was with my future BOSS!

Anyway, now I work at the club three nights a week. The other dancers say I have a great body and that I should try modeling to see where it takes me, so here I am! I hope you like my pictures, guys, but if you really want to see the real me — come see me dance sometime! And ask for a lapdance!

**I guess you could say I'm a romantic, but I like to think of myself as Gothic.**

Not in that stupid mid-nineties way, though. I mean in the literary Gothic way. The real Gothic way. I'm into Gothic literature from 19th century Europe. I mean, there just isn't anything sexier than *Wuthering Heights*, I don't care if the characters talked funny! And *Frankenstein*! And like everything about Mary Shelley and her hot husband Percy Shelley? Delicious!

I'm in community college and I'm taking as many literature classes as I can. My one professor, Dr. Clerval, loves Gothic literature, too. He keeps me after class sometimes so we can talk about how awesome the authors we both love were!

One day, he told me that in her diaries, Mary Shelley talked about how she and her husband used to go to the graveyard where her mother was buried, and... DO IT on her gravestone! When I heard about that, I got really excited. Like, all I could think about was how hot it would be for my first time I ever had sex to be in a graveyard! Because I was a virgin until a few months ago!

So, I told Dr. Clerval that it sounded really spooky and romantic, and that I'd like to try it sometime. I was joking, but he said we should have a picnic in a graveyard and read Shelley's poetry. Like, Dr. Clerval isn't a super hottie or anything, but he's got these cute glasses and this nice beard, so I thought a picnic would be cool.

We went to the graveyard and had a picnic. It was really yummy, and we read Shelley's poems to each other. If it hadn't been Dr. Clerval, it would have been really romantic, but I guess he thought it WAS, because he kept getting closer to me on the picnic blanket.

We went for a walk through the gravestones, and we found one that had a really pretty rhyme on it from a long time ago. I sat on it and said,

"I feel just like Mary Shelley!"

He said, "You're prettier than she EVER was, Faith." And then he KISSED me! I was like... WHAT! I mean, I was his STUDENT! I am 18, so it's not that bad, but he could've gotten soooo fired for that!

That's when stuff got really weird. First, instead of like touching my boobs or kissing my neck like a REALLY romantic guy would do, he started kissing down my leg. Then he took off my sandal and started kissing my FOOT. My foot? Maybe that's romantic to some people, and it didn't feel TERRIBLE or anything, so I let him do it.

He was really into it! Then, he started licking the top of my foot! Kissing was one thing, but LICKING someone's FOOT? Wow. Next, he started sucking on my toes! I'm not making this up! He put my big toe in his mouth and swirled his tongue around it, then he took another toe and another in his mouth until he had all five in his mouth, and was sucking and licking and slobbering on them! I was so embarrassed that I didn't say anything. I didn't know what people were supposed to do to each other's feet. Maybe this was what EVERYONE did before they had sex, but I never heard of anything like it!

Suddenly, he stopped! He reached down, undid his pants, whipped out his dick, which was okay sized and all hard, and started stroking it really fast. In a few seconds, it sprayed some white stuff onto the grass. Then he sat down and said, "I'm so sorry, Faith. I got carried away. Your feet are gorgeous."

I was like, "Yeeeeeah, I guess so. Um, don't worry, it was... fun."

Then, we packed up our picnic and went home. We never had another private Shelley reading, but I still got an A in his class!
